

CHRISTMAS Pictionary

Players: 4+

Materials:

- Writing utensil or card markers
- Large board to write on
- Deck of Christmas topics
- Timer

How to Play:

1. Split players into two teams.
2. The first player from team one draws a card, and the timekeeper starts the timer for one minute. Without speaking, writing words, or showing the team their card, the first player draws the topic card on the board.
3. The players from team one guess the word or phrase. If the team correctly guesses the word or phrase within the minute, the person drawing selects another card. Repeat until the minute is up. The team gets a point for each word or phrase guessed in the minute.
4. Repeat with team two.
5. Continue playing until each person on both teams has had a chance to draw or the deck runs out. The team with the most correct guesses wins.
